Dear Ms Runsvold,

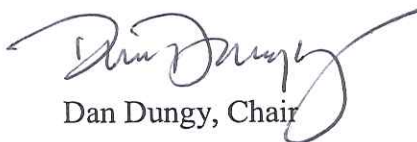

Re: Bicycle Repair Clinic in Hollister (Walk 'N Roll)

On behalf of the children and families of San Benito County who received helmets and bicycle repair services from the "wrenchers", San Benito County Parks and Recreation Commission extends its appreciation to TurningWheels for Kids for these gracious gifts. Over 150 children and their families attended the Walk 'N Roll event, 91 bicycles were repaired, and over 75 helmets were donated to needy children. Please extend a special thank you to Monica Cramer and the "wrenchers" for the outstanding bicycle repair clinic!

As your organization moves through communities, providing opportunity for outdoor activity through bicycle riding, your volunteer network will continue to grow, working toward the elimination of childhood obesity. San Benito County benefitted tremendously, evident by the many smiling youth riding bicycles, wearing shiny new helmets.

The San Benito County Parks and Recreation Commission thanks and commends TurningWheels for its benevolence and will continue to support your efforts.

Sincerely,

Dan Dungy, Chair
